

COOKIE POLICY

COOKIE POLICY INFORMATION ABOUT OUR USE OF COOKIES:

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

STRICTLY NECESSARY COOKIES.

These are cookies that are required for the operation of the website. They include, for example, cookies that enable you to log into secure areas of our website.

ANALYTICAL/PERFORMANCE COOKIES.

They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

FUNCTIONALITY COOKIES.

These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences.

TARGETING COOKIES.

These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We do not use cookies to store information such as credit card numbers, telephone numbers, or other information you provide.

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

You block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website.

Except for essential cookies, all cookies will expire after 30 days.
